So whether you're looking for a degree, a course, or a continuing education, this institution proves to be perfect for you. With its myriad of sports courses available, you surely won't find it hard to find one or two to enroll in.

About the United States Sports Academy

Founded in 1972, the US Sports Academy is an accredited, non-profit, specialized university made to provide the country with programs in research, service, and instruction. It was established by Dr. Thomas P. Rosandich and it aims to prepare students like you for careers in the field of sports.

The first decades of the academy have coincided with the development of people's awareness to the role of exercise in a person's health as well as the importance of individual commitment to achieving healthy living. Because of this, employment opportunities for the graduates of the academy have also expanded.

This academy offers Master of Sports Science, Bachelor of Sports Science and Doctor of Education with concentration in different areas like Olympism and Sports Medicine. Undergraduate programs include Sports coaching, Sports Security, Sports Management, and Sports Studies. Those who are pursuing Master's degree may choose from Sports Management, Sports Coaching, Sports Medicine, Sports Studies, Sports Fitness and Health, and Sport Psychology courses.

You may not consider everything you just read to be crucial information about Academy Sports. But don't be surprised if you find yourself recalling and using this very information in the next few days.

A wide range of certificate programs and individual courses are also offered under its Continuing Education Program. Among the certificate and certification programs it offers are Personal Training, Sports Coaching, Wellness, Bodybuilding, Human Performance, and a whole lot more. Best is, these courses and programs are all available online.

The United States Sports Academy offers rolling registration so you can start at the time most convenient to you. This is one of the reasons why graduates from this academy recommend it to other people. As one of the world's largest sports universities, faculty of the said institution have solid academic backgrounds as well as professional experience in sports, so no matter what you want to achieve, they surely will help you realize it.

And do you know that over 75% of the graduates from the said academy landed a good job in the sports industry? Yes, they are now coaches, researchers, teachers, healthcare providers, managers, and administrators in the field of sports. Among the famous academy graduates are Steve Hawkins (head basketball coach of Western Michigan Broncos), Lynn Wheeler (Associates Athletics Director of University of Texas), Greg McDermott (head basketball coach of Iowa State Cyclones), and many more.

For those coaches who want to thoroughly prepare for their chosen profession, enrolling in the United States Sports Academy is the best way to go. This academy will meet the educational requirements of professionals through sports-focused teaching, and teamwork with other group of professionals.

This academy isn't just an educational institution; it is also the home for American Sport Art Museum and Archives.
